Ms McKay was my first supervisor in my nursing career. I learned a get deal from her as she was knowledgeable and persistent in her guidance. I will always be eternally grateful to her and her patience. May she rise up with the angels and find her peace.

We're so sad to hear of Buela's passing. She was such a kind soul, and I will always cherish the gift she gave me when she gifted me one of Trey's puppies, Brady, the first love of my life.

I have always loved my Aunt Beulah and Uncle L.S. and fondly remember our times spent together. It saddens me that families drift apart after the death of a loved one. May God comfort you, Uncle L.S, and I pray that one day I may see all of our family reunited as one in the presence of God.
With love, respect and many prayers,

Prayers of comfort for LS and family. Beulah was a wonderful nurse and servant leader. She trained so many health care professionals to always focus on outstanding, quality patient care. I'm so thankful I had the privilege of working for and with McKay!❤️She will be greatly missed.
