

## Dorothy Hurst

February 21, 1937 - December 9, 2020

Dorothy Hurst passed peacefully into the arms of Jesus on Wednesday December 9, 2020. Dorothy loved Jesus, loved singing Praises to the Lord. Dorothy is having a glorious reunion with loved ones who passed before. Her husband George, daughter Imogene, her parents John and Pearl Lane and her brother Johnny. Dorothy will be sadly missed by her son Donald, daughter Betty, grandchildren Matthew, Andrew, Misty, Nicole, Cody, Jared, Jason and Anthony. Great Grandchildren Madison, Jaden, Micah, Camden, Aubrey, Zaylie and Aurora. Special Thanks to long time and supportive friends Ronnie & Betty Jo Askew for their kindness and love, also to Manes Funeral Home for their thoughtfulness and support through this difficult time and to Ridgeview Terrace. Support your local Alzheimer's Association and dont forget about the beautiful souls in assisted living facilities. George & Dorothy would want you to know that because of Jesus, the Son of God, left Heaven, came to this earth, suffered, bled, died, and walked out of that grave a living, risen Savior. Jesus loves you. He wants to save you and He will save you today if you'll give Him your heart. Be blessed, stay safe and "The LORD bless you and keep you; the LORD make his face shine on you and be gracious to you; the LORD turn his face toward you and give you peace." Number 6:24-26.

Arrangements by Manes Funeral Home.

“ Dorothy Hurst was and is a very sweet and precious person. We were grandmas together ...her daughter and my son..She was same the day I met her , so sweet and kind as the last time I seen her when she was sick ...my sister was at the Ridgeview Terrace of Life Care where Dorothy was so I was able to see her when I was there. Dorothy still had that smile that I knew and loved even in sickness. I can remember on Sundays when I would be there seeing my sister, Dorothy would be sitting in the Church Service singing and praising God she knew every word even as time was slipping away from her.I know when i think of her now , I can see her with the Angels singing in the choir. We will always be Grandmas together. And friends. My son Jimmy has always said her and her husband was good people, that didn't take long to know when you talked with them. I am truly blessed to have her in my life I have missed her since she left but I know she's not sick anymore and I know we will still be Grandmas together when I see her again.
