“ As the tears run down my face I can't explain the pain.iwalk around the house not accomplishing any thing.i peek into your room and the quietness sets in and the tears set in baby dog is whimpering and laying still on the blanket you were near..I miss you and the things we did..going shopping like mother and daughter.you were my best friend..sitting on the porch watching it rain .watching hummingbirds fly about the flowers..and watching neighbors animals play..I know your not in any more pain and gone to a much better place...Dear friend I will miss you..but I know I will see you again..fly,fly,fly away..
