“ I recall that I first met Paul in my teen years at Sunday School where he, Gail and I were in the same class at Maple Grove. After Gail finished high school they married and he became my brother-in-law, and over the years Paul and Gail had a very good marriage and two kids - my nephew Jason and niece Chrystal. It's been over a half century and Paul has always been a friend, and always was willing to help others. He was a wonderful husband and father and Christian that spoke the truth and kept his word. He was an example for others, yet humble and unassuming. Such a man as Paul will never be forgotten, and will be sorely missed. Yet I know without any doubt that son Jason was there to greet him in Heaven. Rest In Peace.

“ A walking historian in my opinion.....Nothing like getting in his car and taking a guided trip around Del Rio when he was well. That excursion was one of my best adult memories after not being home in a very long time. You would of thought that we grew up together but with time I realized that was Paul....always kind, loving and giving. He will be greatly missed by this cousin.

“ My cousin Paul was amazing. As children I always remember him tall and thin, dark hair and smiling. Always kind. When ever we visited and I was little he would put me on his shoulders. Even as he got older when ever we talked on the phone or got to see one another it was such an enjoyable time. Gonna miss him and his sister Freida. I'm sure they have joined hands to be with the rest of the family to sleep in the light of God. Sadly missed till we join y'all in heaven .

“ Paul and I met the first day of high school in agriculture class. Over the years our friendship deepened. He was one of the smartest, kindest, and friendliest people ever. He loved his family, his community, his classmates, and his heritage. He is now healed of his many physical problems, and we rejoice, but we will miss him so. God bless you Gail and all the family in the coming days.
