*“ Ronda and Family:
We grieve with you in the loss of your precious mother. For many years, Algje was a part of our lives as she cared for us in countless ways. We have no doubt that Aunt Irene was among those greeting her as she swept through the Pearly Gates and embraced her with love. We will always remember the day she helped us throw a party for our house's 100th birthday and when she joined us in Charleston for Amber's college graduation. In the coming days we will wrap ourselves in these memories and pray that angels walk beside you as you draw strength from your own memories.*
