“ Alma was such a treasure to the staff and visitors who were fortunate to have had the opportunity to spend time with her in Great Smoky Mountains National Park! She introduced countless people to the trails and history of the park. I am so grateful that she chose to spend her time passing on her love and passion to her family, friends, and many, many more.

“ *Miss Alma was the smile on Wednesdays in the Great Smoky Mountains Backcountry Office. She so generously shared her wisdom, enthusiasm and love for the park with visitors. I was so fortunate to get to hike with Miss Alma and to discover some of the most special places in the park. She was a wonderful person, whom we will miss, but will never forget. The mountains will miss her as well. I will always have fond memories of Miss Alma, which will overshadow the sadness.*
