“ My beautiful little cousin, Amy. I was 11 when she was born. I remember thinking she was the most beautiful baby in the world. I loved playing with her and I still remember the little song Uncle Dan thought me as we sang it to her when she was in her jumper. Amycina Josephina jump so high you hit the sky, love to hug you, love to squeeze you, love to hold you tight. I bet Uncle Dan is singing to her, hugging her, squeezing her and holding her tight up there. She is in good hands. Sharing ‘this memory in hopes that it might somehow give you a little comfort during this incredibly difficult time. Sending my heart felt condolences to you all. I love you. Chris

“ Mary, Athena, Danny and family, I am so sorry for your loss. There are no words I can say to comfort you, but I will pray that God will do so, as only He can.

The day before Amy's passing, I received a package of her beautiful "bling" creations and I will treasure them and gift them to the special people in my life. She blessed me and my daughter with several over the past few years and also made me many to give as prizes in our cheer organization. She did beautiful work.
