“ My sweet Angela. I could sit here and tell all kinds of stories of memories I have with her. There's not just one in particular that stands apart, but I promise any of them would leave you laughing. 7 months isn't a very long time to get to know someone, but it was enough for her to make a big impact on me, and my life. I love her. I didn't get the chance to meet her mother, Billy, Donovan or Jasmine. Daniel, I'm here, buddy. Anytime or whenever you're ready or need to talk. She was such a good friend. She definitely was 'Mama Bear'. Very protective, loving, and always cared. I hate that I didn't get more time. The last conversation on FaceTime, right at Christmas,....that last "I love you", I got and looking at her when she said it, will be the memory that will replay through my mind everytime I begin to think of her. I miss her. Rest in paradise, Angela Danielle. ♥
