“ *Where do I start? My best friend for 27 years! We met as neighbors, then you became such a good friend to Pat and I both. You became my Florence Nightengale, taking care of me after surgery, allowing Pat to continue working. You were such a big part of our lives that our kids and grandkids always expected you to be part of our family. There are so many wonderful memories that I could share. My heart is breaking, however I know that you are in a much better place!
You will be GREATLY missed.
All of our Love, Pat And Kathy Fagan.*
