“ In loving memory of Artha (affectionately known by the family as Nanny). She spent her life dedicated to her husband, family, and to her faith. She always made everyone feel welcome to her home, and made them feel like family. She loved to cook for many years, and I especially enjoyed her homemade biscuits and gravy! She was like a mother to me, and I thank God for the gift she was to me and to so many! I will miss her, but I know she is with James now, and celebrating being together again!

“ I never seen Mom (Reba) on the phone unless it was with Aunt Artha. They could talk for hours about politics or family.

“ So sorry, Sending our condolences and prayers of comfort to all of you. Artha's personality was a ray of sunshine always. As a newcomer to the family it always confused me when Artha and I talked. Astor was the name most used and she always referred to Astor as James. I never heard her call him Astor. She was a sweet lady and will be missed.
