“ *Seeing your mom's picture, Melisa, brought back memories I have of seeing her at our children's events back in the day. She was always very sweet and smiled all the time. I never had a lot of contact with her personally, but have been privileged to pray for her for years. She was a very blessed lady to have a daughter like you...and a family who obviously loved and cared for her. You have encouraged me so much with my parents being even farther away. Much love and prayers, Marla*
