“ *Barry was a special Christian man, who shared HIS love to others. He loved everyone especially his family & friends. His life has made an impact on many. Barry went through many struggles but stayed faithful to his God & is in the presence of the Lord Jesus. Our families worshipped together at Ray's Chapel Church when our children were small. My favorite memory of Barry is our son Terry, Barry & Bill Murr playing in an apple box. Although we are living far away, our hearts & prayers are near you. Our concern & love will go on forever. “ Gladys and Family:
We are saddened to learn of Barry's death. We both thought the world of him, beginning when he was in my freshman English class at CCHS through his days as a house sitter for us. Every time we saw him we were reminded of his infectious smile and delightful personality. In the coming days we pray that God will strengthen you and give you peace. We also pray for angels to walk beside you.
