“ My condolences to the family for the loss of Betty. I was so blessed to have met Betty and spent what time I had with her. We had some good laughs together. When she smiled, she smiled with those beautiful blue eyes also. She loved the Lord, her family and Benji. May God give you peace and comfort in the days ahead just knowing how happy she is in Heaven. We shall meet again one day. Sending love and prayers for the family.

“ I worked with Betty's daughter Sheila for a number of years, and Betty would often bring us homemade goodies around the holidays: potato candy, fudge, cakes and cookies. She had a razor sharp wit and a heart of gold. I will always remember very fondly. I am so fortunate to have had the privilege to know her as long as I did.
