“ I always looked forward to and enjoyed my time over the mountains to visit my Tennessee cousins. Since Betty Ann was only a few months older, we shared play time frequently. Wonderful memories! My sympathy goes to the cousins and others who knew and treasured time with Betty Ann. I’m one of those who admired her antiques!

I was a high school classmate of Betty Ann in the '50's. I got to know her when we rode the Del Rio bus together. I had lost track of her and was sad to learn of her death.
