“ *I know this little sweetheart will be dearly missed. But I'm telling everyone that she was on fire for our Lord and Savior. It touched my heart to see that precious soul testify in church. I'm so glad my last vision of her was where she loved to be and that was in church. She is gone in body but she will live in our hearts and forever in our memories. Until we all reach our eternal home with Jesus rest in peace! My love and prayers are with the family.*
