“ Jenny and family, so very sorry in the loss of Ms Betty. She looked so forward to your daily calls Jenny and spoke so highly of you. She was proud of all her things, couldn't part with anything especially those given to her by her late sister. She shared stories of days past and of her faith.... Rest easy Ms Betty❤️

“ To all the family of Miss Betty. I'm so sorry for your loss and my prayers are with you during this difficult time. Betty was my mom's (Virginia Dyke) roommate at the Tennova convalescent center. She was special. I grew to love her so much. She now has that glorified body. It gives me peace to know she's not suffering any more. Love you all
