“ Bill was a great man, friend, and like a grandfather to me. My grandmother Carol Necessary took care of Bill when he started getting sick and even before then as they were actually living together and were supposed to get married but then he started getting sick, but no matter how sick he was or how bad he might have been feeling that day if you came over he would always try feeding you even if he didn't have much himself. If you needed help with anything he would always try to find some way to help. He's already missed so much but will NEVER EVER be forgotten. I love u Bill. Watch over my Angel baby Elizabeth (A.K.A your lil cheerleader) till I make it up there to be with you both again!!! 😭😭😭
