“ *This absolutely breaks my heart! I was Bill's dental hygienist and although I only got to see him three or four times a year, each time was a pure delight! He was the kindest, most giving soul and always brought a smile to my face! I'm so sorry for his family's loss. My prayers are with you all. I will miss his sweet face!*

“ Brenda, I was so saddened to hear of Bill's passing. As you know, Bill hired me when I was a senior in high school at CCHS to work at his business and I continued to work part time while in college on weekends and breaks. I am so grateful and appreciative for the opportunity Bill gave me years ago. Our friendship continued over the years, and I have fond memories of the times we shared together and his supportive and encouraging words to me. Bill, you will be missed. Prayers to you and the family during this difficult time. May God strengthen and comfort you during this your hour of sorrow.
