“ *SO sorry, rest in peace. Billy was the chaplain of the Clay County Shrine Club for many years. Hazel would play the organ. He has blessed many with his presence and will be missed. So long Billy.*

“ *There was never a kinder more generous man that I have known. Billy loved the Lord with all his heart and was ecstatic when he was able to lead a worship service. He reminded me so much of my dad. They were the same age, they entered the service about the same time and he even resembled my dad a lot. It broke my heart when I learned of Billy's passing, but then I thought, he is with Hazel, he is with the Lord and no more glasses or hearing aids. I will miss Billy terribly but I wouldn't wish him back for anything. I loved Billy dearly and I wish I could be there Saturday, but I have a wedding scheduled for that time and it can't be changed. You have our prayers for peace and understanding. Always,
Your brother in Christ and the "Princess"*

“ *Billy was a devoted member of Mandarin Chapter #292, Order of the Eastern Star, when he and his dearly loved wife, Hazel, lived in Jacksonville, Florida. He served our chapter as Worthy Patron and other offices many times over the years, one of those times was with me in the East. We were saddened when they moved to Tennessee and we couldn't continue enjoying their presence among us. After Hazel's passing, Billy assured us he would return to Jacksonville. We looked forward to his return to us. Billy frequently told us his last resting place would be in Mandarin and wanted us to be there to bid him farewell on his journey Home. Now that he's on that journey, he's with us in spirit and in our hearts. Farewell, dear Brother. God speed.*
