“ *My Uncle Billy was a great man. I can honestly say and tell folks often that this man lived life to the Fullest ! He did it all ! As a young man He traveled being a Church Of God Evangelist all over the country. Owned and operated several small businesses. He spoke 3 languages. Oh the stories he told. I wish i could remember them all. He also wrote a book on the subject of Church And State. However he was never able to have it published. He taught me many things and was a great example in striving to live a Christian life. You are missed but not forgotten. I'll see you soon !*
