“ To the families of Bobby Dean, our deepest condolences for your loss. It is our prayer that God will comfort you and your whole families during this sad time. May God richly bless you as you mourn, and may the light of His presence be a continual source of consolation.

It is awesome to know it is just “until later” not a permanent goodbye.

“ One of the best memories I have is of Bobby and you and me and Zander eating and watching t.v. with Sadie right in the middle of it all. Bobby always made me laugh. Zander sends his condolences from Germany and said he wishes he was here to hug his Grandmommy and his Aunt Deana. We love you all so much. I'm here any time night or day.

“ I’m so sorry for your loss of Bobby Dean. He was my sweet and funny nephew whom I loved dearly. I took care of him along with his sis and brother. If I corrected him for something h would do something funny to make m forget about it. I’ve always enjoyed being around him. He’s in his heavenly home now where there is no suffering. I’ll see him again some day. I pray they God will give the family peace and comfort during this difficult time. H will be greatly missd by all who knew him.

“ I was so sorry to hear of Bobby's passing. My Dad, Paul Bearden thought the world of Bobby as all of my family did. Back when Bobby worked at the Shell station, my Dad always wanted him to work on his car. Bobby was fun loving with an outstanding personality and well liked by many. May family and friends find peace and comfort in the days to come. Bobby will be missed.
