“ My deepest sympathy to Brenda and all others of Bobby's family. Bobby was a good friend and classmate in grades 8-12 at Cosby School and from then on whenever I had the pleasure of seeing him. He was a thoroughly good and honest person from young manhood onward. One of my good early memories of Bobby is as a strong starting forward on the Cosby elementary boys' basketball team of 1958-59, which won the county championship. He gave his best in this just as he did in the life he lived. He enriched the lives of others, and will be missed very much.
