“ Our hearts go out to the Knight family. Bobby was a special friend. He called just a few days ago, and spoke with Edmon. No matter where you ran into him, he always spoke of his deep faith. To the family, find comfort in God's promise for those who love Him and live for Him. And in the darkest moments of grief, know that he is always near.

“ *Bobby was a nice man to our family. He was the one that sold us our home and made sure we were happy here. A few years ago my daughter hit his car. Bobby stayed calm while she went into a full blown panic attack. Bobby cared more about my daughter than he did his vehicle. That spoke character in my book and he had plenty of it. Thank you Bobby for everything!*
