“ So very sorry for your loss. Praying for you all. Years ago when Joe and I were good friends It felt like I spent more time at Bobs house than I did at my home. I have a lot of good memories but the one that stands out is when I just bought a Suzuki Sidekick and picked up Joe and we went to the lake bottoms to test the 4 wheel drive. I sunk it up to the doors so joe got his truck and couldn't pull me out so he had to get Bob and his truck. He never let me live it down and would bring it up every time he saw me, he would say when you buy a Ford truck you get a Suzuki free so you will have something to pull it out of the mud when you get stuck.
