“ *Mom you were always the light in my heart. I love you more than words can say. With you I have 50 years of love and memories. You were always there for me. My memories of us together will always be cherished. You are forever in my heart until we meet again Mom. My heart is broken, my years run free until I'm there, your face I see. Love you forever Mom.*

“ Aunt Bonnie will be truly missed. I will always remember her laughs and the talks we had when I would see her. I wished I could have seen her more. Heaven truly gains an angel. Love always Jim Jim.
