“ I don't know if I can anymore. Everytime I push for the best. The harder I get hit. I wish I could remember you better. I wish I could have had the chance to know you more. I was 13! Come on.... Why did you do this. Why did you leave me and Michael. He could have been here still if you just stayed and lead us away from the wrong paths. God has his ways and reasons for everything. But this , this shouldn't be... I've lost my whole life. And I blame my childhood. I can't change who I am. I've tried over and over and over. I'm different? Yeah. I'm better? Yeah. But it's not enough. This ruined my life. I shouldn't be 13 and find my own father gone. I'm mentally broken. I will never, I mean never. Be okay.
