“ *R.I.P. Brandon. I thank God I was allowed to know you. I have a child in Heaven that I named after you because my Johnathan Wilson had a dream that he looked like you. My child passed before Johnathan was ever born. Johnathan had never seen my ex husband that was the baby's daddy. But you favored him. Johnathan didn't know that. I never knew if my child was a boy or girl because it died before it was born. When Johnathan had that dream I knew then that it was a boy and his named had to be Brandon after you. I pray that God will bless everyone with comfort and peace always.*
