“ I remember my first day of school. I was supposed to ride the bus home. When time come to load the buses, I panicked and asked Mrs. Gentry to take me to my cousin, Brenda Fox. She was in the 6th grade. I got to her about the time they called our bus number on the intercom and she got me to the bus. I loved Brenda. She was a precious person. My Autumn reminds me of her in some ways. Love to you all. You are in my prayers.
