“ *Bones, Was a great friend and Employee of the former Cocke County EMS.. We never had to worry about him making his calls.. He always strived to make the EMS a better place to work and never had any complaints by any family or patients he came in contact with.. He was a great employee.. He never complained about anything or anyone and I never seen him mad at anyone or anything. He was always on time for his shift. He loved serving the service and the community and residents of Cocke County.. He strived to be a good person and employee or anyone he came in contact with the community lost a great servant to the community.. Rest In Peace my dear and faithful servant .. “ I will never forget my kind, sweet and thoughtful brother-in-law. Brian had the gift of a gentle soul -- always ready to help, sharing in our joys and sorrows -- and was a calm and steady presence in our family for more than 20 years. He took wonderful care of Robin, the love of his life. We love and miss him so much.

“ Tara, our heartfelt sympathy and prayers go out to you and the family. We have fond memories of our cousin Brian. We remember when he was born and the many times throughout the years his grandpa uncle Bruce would bring him with him to our store on Lincoln Avenue. He grew into a fine young man, one who will be very much missed and will remain in our hearts and memories.
