“ I went to college with Cade, he was a good friend of mine. I don't have social media. It's may 2025 and I'm just now learning of his passing. Really hit me today. We spent a lot of time together when we weren't in class. Him, Ben, and Kyle all lived together and I became close with all three of them. I know Ben passed away back in 2018 and now to hear that Cade is gone really hurts. I love you Pal I hope you are at peace. You were a great charismatic and funny man. I'll never forget you and always remember the great times we had together.
