“ Life won't be the same without you 😞 30 years of ups, downs, good times and bad.....we stuck together through it all. Your passing has left a tremendous hole in my heart that will never be the same. Rest easy "Ray Ray".... I'm taking comfort in knowing I'll see that smiling, mischievous grin again one day and so proud of you for getting your life right so we can all be together again. Love and miss you so much. 💔💔💔😭
