“ I once read that " Little daughters are the only people to soften the hearts of strong Men!" I did not have to know Carl well, to know very quickly what kind of loving Father he must have been to his girls. It is said that Beth gets her humor and spontaneity from Carl, and because of this, his livelihood will carry on for generations.

Our condolences go out to your family and we will continue to pray for peace that only our Father can give to each one of you.

*Our sincerest and deepest sympathy to you in the loss of Carl. I can't remember a time when I didn't know the Gillands, dating back to the White Store days and my mama's deep friendship with Geneva. Then came our days at the Cocke Count Banner, having your children in school, and all of us becoming grandparents. We pray for God's strength and the comfort of angels in the coming days.*
