“ Well all I can say is I truly considered you as one of my life time friends my ride or die lol... After working with you at Howard's for many years and going through the Fires that devastated you and and many others you my friend were and always be very special to me. I am however, very happy that I was lucky enough to spend a few days with you in January now that your gone those days will be special to me until we meet again in paridise. To Cecil and Lawrence and Alexia and Hunter Mom and Jennifer and those puppies and the entire family she loved you all so very much... I only know a few names from stories she has told me over the years I wish you all peace and comfort during this time. We will all be heartbroken forever but find comfort in the fact that she touched so many people in so many ways with her smile and a true heart through her lifetime. Rest in peace my angel !!!
