“ Carroll was always the same each time I saw him, he was very kind and he was so proud of his daughter. The last time I spoke to him that was some of the conversation of how proud he was of his dear sweet Cindy!

He smiled very big when he spoke of her saying how great she was doing and telling me about her graduating college as a teacher, just how proud in general he was of her. You could see a big smile when he spoke of her and you could tell she was one of his greatest achievements. My love and prayers are with the family!

Carroll will be sadly missed, may he rest in eternal peace with our lord and savior!
