“ *I was blessed to know Carroll for the short time that I did. I enjoyed talking to him. He was a very special, wise man. I know he will be missed so much. Prayers for the family, as I know how much grief comes from losing such a man.*

“ *Daddy*

How i wish I could turn back time and be a little girl again... to hold onto your finger and walk beside you . When I was sick id climb up in your chair and you'd hold me close and pat me and I would fall asleep. I always followed you around my life will never be the same . As u laid in the bed I held u and told you I loved you and kissed you and told you I would take care of moma and renee like you asked me to I told you it was ok to go now and be with Jesus one last breathe and you was gone. You may not be here now but you will always be in my heart . Someday I will see you again . I love you Daddy your the best man I've ever known.

“ *My dad loved cars and was a used car salesman. When we were kids we got to play in some of the old cars it was a lot of fun. Before my dad got really bad sick he called me to let me know he got to test drive the new Ford Broncos. He was very excited about it and wanted to buy one. I love you 💕 DAD and will miss you .*
