“ Our neighbor, Cary, is behind so many beautiful photos and videos we hold dear of our grandchildren enjoying the playground she created behind her home on the Tusculum Trail. Although she was eventually forced to remove it for safety concerns, she fought hard to gain the right to keep it going. Cary's heart was HUGE!!! It has been quite a while since I've seen Ms. Cary walking her dog through our neighborhood, but upon learning of her passing, I reflect on the sweet lady I remember from our brief encounters. She was a hard worker around her home. I imagine Cary now in the ultimate playground filled with all the colors and pleasantries anyone could ever dream of! My colorful photos and videos of my grandchildren are even more treasured today! I wish I could say that I had been a good neighbor to Cary! Too often, I find myself wrapped up in my little world and fail to be the outreach that I ought to be. Speak to your neighbors while the opportunity thrives. At least, bother to wave as you pass in by in cars. Prayers to Cary's family in this time of grief.

“ Cary welcomed us into the neighborhood in Tusculum Place five years ago. She very quickly became part of our family. She was a grandmother figure to our daughter, Carly. We made lots of sweet memories that we'll cherish in our hearts. Our daughter, Carly loved taking walks with Cary and Clemy, Cary's beloved dog. We enjoyed taking rides to get ice cream or going to the barn to watch Carly ride her horse. Whether we were making s'mores around our backyard fire pit or having water gun fights with our family in the summer, she was always up for a fun time. She loved when April Fool's came around, so she could get a joke over on Carly. She was always a part of Carly's birthday parties and spending holiday time and dinners with us. Cary was a beautiful blessing in our lives. We will greatly miss her! We send our love and prayers to her family and friends. God bless you all.
