“ *One of my Best Friends . We had a lot of good times on the road , even when he would have to wait on me to get to the top of the hill in my slow truck . He could out pull me on a hill , but he knew who had the fastest truck on flat ground . Love you guys and will keep you in my prayers .*

“ I love my papaw so much, he was my first father figure and he loved me so much. My life will forever be changed without him around. My favorite memory of him is when we were at Family Farm Restaurant and I said, “Daddy can I have chicken tenders?” He replied, “Baby you can have anything you want.” See that may not seem like a memory to most but if you knew my papaw you knew he could be a bit rough and for some reason in that moment I just felt so loved by him.
