“ *I just heard about Chris. I am so terribly sorry for your loss! She was always so very kind to me. We had many conversations through the years and she was sweet and encouraging. Watching her care for her mom made a huge impact on my life! She was a great cook and an all around lovely lady. We lost touch over the years, but I am thankful to see she found love and seemed happy. I know she will be missed! My thoughts and prayers are with you all.*

“ Chris, Thank you for your life, your generosity, your loving nature, your caring for family and people and all creatures. I was fortunate to know you a little, not as much as we both would have liked. As the Cherokee say in leave-taking, "It will be better next time."
