“ I’ve known Chriis for about 15 years he was not just a coworker but he was also a friend, he was a brother. We have shared many good times together laughs tears and a lot a lot of memories . Since the day that I met Chris he’s always made me laugh even on my baddest days he always knew how to put a smile on your face. I am deeply saddened that he’s been taken away from us is such a young age I pray for his kids his family his friends and all of his loved ones may he Rest In Peace . Until we meet again always know that you will never be forgotten and I cherish the memories that we have had together thank you for always being there for me. Love you brother.

“ I still cannot believe that you are gone. Though we weren't working together anymore, I still remember our time together. You were quick to allow me into your circle and loved hanging out together on the road. Our last time together was in Charlotte, NC when we went to Rockin' Rolls Sushi.
