“ *I met Buck years ago through Jason Martin. We all became good friends and played many rounds of golf together, basketball, and the occasional friendly game of Texas Hold em. Eventually Buck worked for me as a store manager. We became even closer friends and talked about all kinds of things from memories of his first hole in one to his family and friends and all our life experiences. Buck was a guy who genuinely liked people and through all the hardships of life stayed positive. Great guy gone too soon. He'll be missed by many. See you on the other side brother, maybe we'll get in a couple rounds! God Speed and rest easy.*

“ *Buck was my oldies friend! Since kindergarten we've been thick as thieves!! My apologies to his sweet mom for all the crap we've put her through over the years. Buck will never be forgotten and this has truly been so hard on a lot of people. He was loved by so many. The memories we shared will never be forgotten. I love you little brother*

Jason, I remember when we were in the same grade at Bridgeport School. I just went there part of first, all of second, and part of third, but the memories still remain.

“ *It's hard to believe you are gone. Buck and I played ball against each other in rec league...He was a great competitor, and a Great three point shooter. I will always remember Buck as kind, and a good friend. Your memory will live on in our hearts.*
