“ *I will always remember our wonderful family times together at the house in New Jersey. It was from there I first saw the ocean and enjoyed the ministering of Grandma Bonner. Craig was an inspiration in his strength and determination to overcome all odds*

“ *Craig Donaldson was my friend and attorney. He was a unique and special man. He is also probably the most stubborn person that I have ever known. He exhibited great courage with his struggle against cancer. I can only hope that he has gone to a better*

“ Craig and I were cousins. When we were young Mom and Dad would take my little brother and I to visit in Jersey. Always had a great time. Even though we never saw each other or kept close in contact I will always remember the good times we had together as
