“ I am in shock and heartbroken to hear the news of Craig's passing. All day long pictures of a handsome little boy with jet black hair, dancing blue eyes, and a beautiful smile have been running through my mind. I am so sorry. My fondest memory of Craig is of him and Kenny hanging their wet clothes from a thumb tack and trying to dry them with a hair dryer before anyone discovered they had been in the creek, again. My thoughts and prayers are with the family. I pray for God's comfort for each of you.

“ I first met Craig in 2001 when we worked together at Cingular wireless. The first day we met at work we hung out after we got off and immediately I knew Craig would be a lifelong friend. I was going thru a difficult time in my life then and Craig was always there for me. Over the next 20 years we went on countless road trips and made a ton of great memories. I will never forget the first time you took me down the Pigeon rafting and “dumped me” in the river. Craig had a smile that lit up a room and a personality that drew people to him. He would do anything for the people he cared about. I will always cherish our friendship and the memories we made. Prayers to the family.

Gary and Kathy, I just saw the notice. I am so sorry to learn of Craig's
death. I cannot imagine the sense of loss and grief you are feeling, and
my heart aches for you both. The loss of a child is incomprehensible,
and while Craig is now at peace, I know you are not yet there. My
prayers are for your rest, for quiet, and for a knowing that God's grace
is upon you as you survive this seemingly unsurvivable loss. ~Susan
