“ My sister, Rebecca and I went over to Crystle and Wendee's to watch a scary movie. Of course it was dark and we had all the lights off. Every little noise scared us. When one went to the bathroom we all had to go. After the movie was over, Rebecca and I had to cross the back yards between our houses. We tried to out run each other because we were so scared. Lots of great memories. Praying for you all. - Jennifer Gorenflo Hembree
