She was cremated per her request.

Those we Love

Those we love remain with us, for love itself lives on.

Cherished memories never fade, because one we love is gone.

Those we love can never be apart, for as long as there's a memory,

They live on in our heart.

“ Cindy Lou that's what I called her! I worked with her several years at Aunt Mahalias, she was one of the sweetest lady I ever knew. We made many trips to Gatlinburg together. She always talked about her husband Lloyd and the things they done together. And she always talked about her nephews! She never had anything bad to say about anyone. She was good at her job ,and she always liked dressing up for Halloween at work! I remember when she told me she was retiring it was a sad day. Everyone that she worked with at Aunt Mahalias loved her and considered her a great friend. We always looked forward to her visits!
