“ *I worked with D.B for several years. He was very likeable and had a great sense of humor, We had many trips home together from work with many laughs. Sadly missed.*

“ *So sorry to hear of D.B passing. We were neighbors while growing up at Hartford. His Father John, would give us girls a ride in the back of his truck. We were very close to the family and Loved them very much. Mary Mcgaha Rollins.9g*
