I was saying Skip the hill will be lost without you! It's not going to be the same. We didn't get to come to the funeral. Leroy's been having a lot of problems. We both have health problems. He had heart surgery the Monday after Thanksgiving. He's been having a lot of bad days since then. He has some good days but also a lot of bad ones. Skip was so nice to check on us. To let me know that if I needed anything all I had to do is call him. No matter what time it was. He told me he'd be right down here. I told him one day I didn't know what I was going to do. I was crying. He told me really fast to not cry anymore. That he'd help me out. See our house burnt in White Pine. The house next to Skips rental house has been my Daddy's since I was 9 months old. So I had to move back home. All my friends and family have moved. My husband falls and passes out a lot. I don't have anyone to call to come help me with him. Skip said he would always be there for us. I've known Skip for over 40 yrs. He sure was a special person. My husband just met him but thought the world of him.

“ Skip has been part of my life and family for about 40 years. You have brought so much joy, love and laughter to our lives, we will miss you dearly. Thank you for all that you were to us in this life and pray that we brought joy to yours. Thank you for openly accepting and embracing my husband... I guess both of you being Dallas Cowboy fans didn't hurt. He will miss discussing the losing seasons with you (lol). Well I guess that is all for now. Kiss and hug Del for us and keep watch over us.
