“ *David was my closest friend while we were children at Missionary Ridge Elementary School in Chattanooga. We were both classmates at UTHSC in Memphis although David was awarded his MD degree in a class earlier as I finished in the September class of 1965. Although we have not remained in touch over the years, I was thinking of him yesterday only to discover his passing within the last week. It would certainly appear that David lived a highly successful life that reflected well on our Savior Jesus Christ,, and I offer my deepest condolences,*

When I no longer used my SEC football championship tickets, he eagerly offered to take them off my hands and we always had conversations about plays of the game. Go in peace my friend. You will be missed.*

“ Our hearts are broken for the loss of not only our family doctor for 45 years but a friend who was always there for you. He cared about his patients and their families and he would always ask how everybody was doing. He would always ask me when I was going to the beach and laugh because he knew how much I love the beach. He will be missed and his family are in our prayers and it brings comfort to know he is no longer suffering and that he is home with Jesus. Till we meet again.
