“ I use to see David every morning when he left work. He was going home and I had just came in. He was always getting ready for those grandkids. They were the light of his life. He would talk about taking them fishing and all the fun they had. My husband and I both attended elementary school with David, he was a good guy. We are so sorry Pat I can't begin to imagine. You all are in our thoughts and prayers. Nancy & Bobby Swanger
