“ *David was on a job with lucas and logan. Cross ties were on a truck and started to fall off the side. David told them to run, but lucas fell down. David ran back and got lucas out of the way of the falling cross ties.*

David always watched out for lucas and logan and even me when we worked for dad.

Both mom and especially dad thought the world of david and shelia, too.

*Thank you david for everything,

“ I'm so sorry to hear of David's passing. He was my second daddy growing up. David and Sheila always treated me like their own. Take comfort in knowing he has a new heavenly body and is walking with our Lord and Savior. Love you, Jess.
