“ Mrs Debbie was and is my favorite teacher I ever had. She made such an impact on me that she was the only person that I could possibly send a thank you letter to when I got in high school. She will be forever remembered and missed. We are so sorry for this loss and we are praying everyday for healing and peace for Janet and Ida Ruth as well as the rest of her family.

“ Mrs Renner obviously loved her family, however she had enough love to share with her students, as well. She devoted her career to all those kids, trying to help them sense their worth. She was truly a gift that will be missed by many. Prayers for her loved ones as they continue without her, but the life lessons she has shared with them will be her legacy.

“ *Ida Ruth, Janet, and Family:*
Sincerest sympathy to all in the loss of your mother. Debbie was always such a delight to be around. Her love for you girls and your family was so very obvious. Having lost my mother when I was 25, I truly understand your pain. But I also rejoice in knowing she is now healed of all her earthly afflictions and free of pain. May this knowledge comfort you in the coming days.
